A great time for our youth

Summer is definitely one of my favourite times of year. I'm sure you can relate to this. I love the light evenings and the sunshine (when it makes an appearance), but more than that it is such a great time for our Youth Ministry! It is an exciting time with lots going on.

The event that our young people talk about ALL year is nearly upon us – Soul Survivor! This is such a special time of being family and meeting with God in a very powerful way. Please pray for us;

this year we are joining with two other local churches and will be taking around 70 people. The summer also sees us run Camp of Champions with an American mission team, and our young people that are part of the Doulos Leadership Programme are running a mission in Coulby Newham where they will cook for children who receive free school meals and share God's love with them. The young people will be leading another 10.30am service in July and we are excited for what God will do there. Finally, we find

that summer is a time of change. We will unfortunately lose a few of our older young people to university, apprenticeships and jobs, but we also look forward to welcoming our new Year 7s and will be doing our absolute best to make them feel part of the family.

So, whatever summer holds for you, on behalf of the Youth Group we hope that it is a God-filled, joyful, and exciting time.
