Dear Church member

Despite the Government permitting people to attend places of worship for a service during the new lockdown, the variant of the Covid virus is more contagious than the original virus, and Martin and I do not want to increase the risk of you catching it by attending Church. In view of our concern, we have made the decision that in order to serve the wider Church Family, services will continue to take place within the Church but without a congregation.

By reducing the number of people in the building we will be able to create a safer environment for the people taking part in the service. The services will continue to be live streamed with a future plan to reduce the numbers in the building further by live streaming in a simpler format.

This will take a while to organise and in fairness to anyone who has already spent time preparing for the service this coming Sunday, the format will remain as arranged. However, should anyone now prefer not to take part in the service, they should let their rota leader know as soon as possible.

The New Year has started in a way we suspected it would, but we live in the shelter of our Lord and He will give us the strength to face each day. We need only to ask Him to guide us along the way.

God bless you all

Martin Howard and Anne Rolfe
