Tees Valley
**YOUTH
FOR CHRIST**

Reflections from Bailey

Bailey McRay joined us in September as our Youth for Christ Serve Team Intern.

I have been in England for almost 10 months now and I can honestly say it has been the biggest blessing in so many ways. Not only have I gotten to invest in the lives of young people in many churches but I have also seen my faith grow in this year as well. I have loved serving in All Saints' Church in Eaglescliffe, those people have been so incredibly welcoming and I love working with my Youth Pastor Kathryn Belmont.

This year has been a learning experience. I have learned how to ride public transport, how to communicate my faith in a way that is applicable for all ages, and I have learned more about Jesus. I think one of my favorite events at All Saints' is the café church every couple of months. I love this event because there is so much joy, laughter and singing as well as an amazing talk every time.

I have about 2 months left until I return home. Leaving is going to be so hard but I am expectant and excited for what the Lord is going to do in my remaining time in England.

Festival Teesside is going to be the biggest evangelistic outreach in a generation, with over a hundred churches involved. Here is a list of what is going on with more details to follow.
