Summer

So summer is upon us! I have to say I think this is my favourite season of the year, as much as I enjoy every season for what it is, I am a big fan of warm days, sunshine and long evenings. Maybe you're the same and are really excited like me or maybe you're not a fan of summer at all and think it's far too hot! (Not like that happens much in England anyways).

But, however you feel about summer it is true that it has a bit of a different feeling to us as a church than the rest of the year. Things seem to slow down a little as we rest and then prepare to go again in September. This is also true of many of us as we prepare to go on holiday or have a long break.

And to be honest I think this is important, it's important for us to have times in the year where we take a step back and maybe leave some space to reflect on what's been going on and importantly, what God has been doing.

Often this is best done together as Psalm 133 reminds us, 'How good and pleasant it is when God's people live together in unity! It is like precious oil poured on the head, running down the beard, running down on Aaron's beard, down on the collar of his robe. It is as if the dew of Hermon were falling on Mount Zion. For there the Lord bestows his blessing, even life forevermore.'

This summer our calendar will slow down a little bit. We will have our regular Sunday services of course, still have events like Men's Breakfast, Make and Mingle and so on but there will also be time for us just to be together as a church. To laugh and have fun together, to share stories and have a good time. To be united together as the family we are all called to be.

In my opinion these events are no less important than the other ones because God is just as much at work in them. Part of our values as a church are for us to be less busy and more family and so I encourage you to think about how you are spending your time this summer and to spend some time with us.

Please come along to our Beach Day on the 4th of July, our Family Fun event on the 14th July, the Youth Night on the 15th July, a BBQ at the Vicarage on the 19th of July and then later that same day a watch party for the world cup final.

But also, let's set aside time to meet up with each other, to invest in each other. To share stories and seek to be united together. Because God loves that stuff and blesses us for it as Psalm 133 reminds us. And so, over the summer if you would like to meet me (and I'm sure Matt as well) for a coffee then please do drop me a message.

We are a family united together, and that means more than just sharing a room together on a Sunday, it means we share life together. So, let's join in with God this summer and choose to invest in each other and grow the bond of this church family.

Bless you all, Ben.
